SADHU VASWANI MISSION
[Founded by Sadhu T.L. Vaswani]
(Regd. Under Indian Societies Act XXI of 1860 and Bombay Public Trusts Act 1950)

10, Sadhu Vaswani Path PUNE - 411 001 (India)

10th August, 2007

Dear Friends,

Joyous from the Sadhu Vaswani Mission.

This year, on August 2, Dada J.P. Vaswani's 89th Birthday, we have brought out a beautiful, pictorial desktop calendar, with each page carrying on inspirational thought from Rev. Dada's writings.

The calendar has been printed by Sterling Publications, New Delhi, with high quality features – four-color art paper, sturdy spiral binding, and beautiful, pleasing illustrations. It is indeed a thing of beauty – and Dada's thoughts will make it a joy forever!

We are certain that this calendar will make an ideal corporate gift which you can give to your clients/customers/friends during the festival season. We look forward to receiving your bulk orders for the same. If you send us the name/logo of your company, we can have it printed for you (on minimum order of a hundred).

Please do remember, your purchase will help contribute to the humanitarian service activities of the Mission!

Thanking You,

With warm regards,

Krishna Kumari
(Working Chairperson)
