

- The Sadhu Vaswani Institute of Teacher's Training (SVIOTT) endeavours to train its students to be teachers of the true type. It has kept up the tradition of excellence at the St. Mira's Institutions, as all of its graduates got jobs as soon as they passed out.
- Sadhu Vaswani College of Nursing finally gets its own separate building at the St. Mira's College Campus, with 5 floors of spacious classrooms and laboratories conducive to the learning environment required. The first batch passed out in January 2011. The ideal kept before the students is to regard patients as pictures of God.

The M.N.B. Cancer Hospital is equipped with a new Linear Accelerator, and is the first to introduce 2D Array Measuring system in the country for optimal radiation therapy for its patients. It's Nuclear Medicine Department is appreciated as one of the model departments in the country by BARC.

Sadhu Vaswani Institute of Management Studies for Women [SVIMS] is one of those rare colleges that do not charge capitation fees even with its excellent faculty.

Over 3300 artificial limbs have been provided to the poor limbless persons. An artificial limb costs INR 2200 / USD 50.

- Khandala clinic runs two free mobile vans, which along with a doctor, visit small hamlets around Lonavala & Khandala regularly to provide free medical aid and free medicines to tribals at their doorsteps.
- Experience the joy and fulfilment that comes from helping others - come volunteer/intern with us at our many institutions or join our youth group- Bridge Builders. For more info contact:

SADHU VASWANI MISSION

NEWS UPDATE

A Few Highlights...

In a short span of 5 years, the Fabiani & Budhrani Heart Institute has done over 6000 cardiac procedures & over 1500 cardiac surgeries, including open heart & paediatric surgeries. Out of these many were done absolutely free. With world-class equipment, the same quality of medical care is provided to the poor and rich alike. Sponsor a heart surgery at INR 55000 / USD 1200.

Nearly 2 lakh poor people are fed every year, with one meal a day at the Sadhu Vaswani Mission and other charitable institutions.

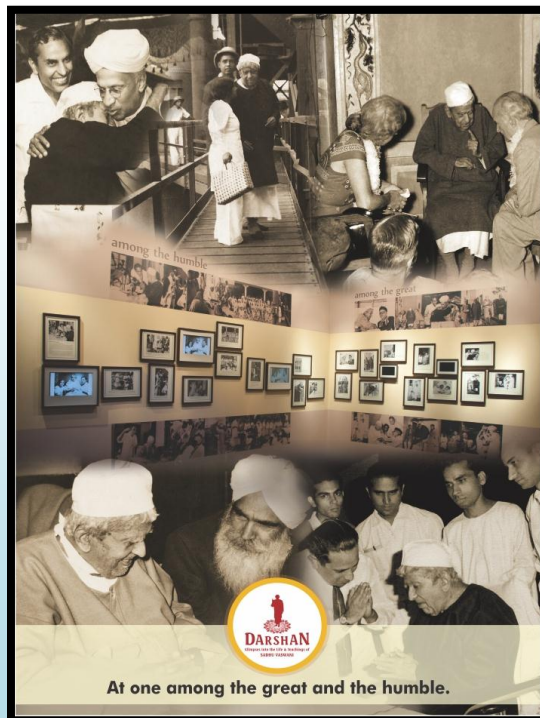

Over 50,000 free cataract surgeries have been performed by K.K. Eye Institute. It was recently awarded the Swami Vivekananda Appreciation Award 2011 for quality patient care. The institute now ranks with some of the best eye hospitals in India.

A free eye surgery can be sponsored at INR 2100 / USD 50.

DARSHAN - A museum giving glimpses into the life teachings of Rev. Sadhu Vaswani (Founder of the Mission) opens on Aug 1, 2011. It is considered a marvel and a life transforming experience brought to life by the use of modern technology and art.

Each year, a needy student needs only INR 10000 / USD 250 to cover school, computer and tuition fees, books and uniforms. Sponsor a child's education today!

The Shanti Clinic has been providing free/very concessional medical facilities to over 60,000 poor patients every year for over five decades.

At one among the great and the humble.
